State of Virginia
Prince William County
Town of Manassas
Osborn High School

We, the class of 1945, of the aforesaid state, county, town, and school, having survived the ordeal of freshmanhood, having endured the pointless eccentricities of various members of the faculty, having completed four years of English, having filled a seat in assembly for the required number of times, having juggled with our brains in geometry class, and having faced the ordeal of three unexcused tardies, being nevertheless, of a sound mind, and body, do hereby declare this to be our last will and testament.

Article I. To the Faculty----

- Item I: To Miss Smith, we leave an unhurried schedule.
- Item II: To Mrs. Lyons, we leave the blessed relief of no more Roswell Round's, Phil Thornhill's, or Carroll Wright's.
- Item III: To Miss Johnson, we leave a non-collapsible sphere, so that the Seniors cannot use it for a football.
- Item IV: To Miss Faulconer, we leave enough typists to take care of all the extra work.
- Item V: To Mr. Peters, we leave a sufficient supply of cigars to last throughout the basketball and football seasons.
- Item VI: To the whole faculty, we leave the joy of having the class of '45 safely launched and out of their hands.

Article II. To the Classes----

- Item I: To the up-and-coming Seniors, we leave:
 - 1. The envious status of "Dignified Seniors".
 - 2. Our caps and gowns, along with a supply of mothballs to preserve them until graduation.
 - 3. The mythical "Senior Privileges".
- Item II: To the Sophomores, we leave the grey hair and chewed fingernails which accompany the preparation of the prom.
- Item III: To the Freshman class, we leave our best wishes, and, in a way, our regrets that we aren't again embarking on our four years of what was, lots of fun as well as hard work.

Article III: To Individuals----

- Item I: Betty Blakemore leaves her "unanimous poems" to the next students of Beowulf.
- Item II: Virginia Crouch relinquishes her "quiet's the word" way to Dorothy Turner.
- Item III: Ruby Dunn leaves her basketball ability to an up-and-coming guard, Miriam Hersch.
- Item IV: Roswell Round leaves to Bo Williams his book on "How to Turn Teacher's Hair Gray in Two Easy Lessons", with our fond hope that Bo will burn it.
- Item V: Helen Landie leaves her gift of friendliness to her sister, Alma.
- Item VI: Jean Lewis leaves her beauty to Margaret Cox, her able successor.
- Item VII: Mary Freda Smith leaves her job as typist of the Hi-Jacket, to anyone who is nuts enough to take it.
- Item VIII: Dickey Graham leaves--period!
- Item IX: Please somebody, leave Dulany Tyler something to carry her milk bottles in.

We, the members of the 1945 Senior Class, in witness thereof, do declare this to be our last will and testament. Signed, sealed, and published this seventh day of February one thousand nine hundred and forty-five, Anno Domini.

ACTIVITIES

PUBLICATIONS

THE "HI-JACKET"

The "Hi-Jacket" is one of the most outstanding activities of the year. One afternoon in September, four idealistic students decided to bring the dream of an "Osborn Annual" into reality. Miss Horne, our faculty advisor, became very interested in our idea, and with out her help and guidance, the "Hi-Jacket" may still have been a dream.

The staff wishes to express appreciation to Miss Faulconer, Fern Swank, and Betty Tribble for the typing of this annual, and to Betty Peterson for her fine job of printing.

HONOR SOCIETY

A membership in the National Honor Society, which scholastically is the select club in our school, is one of the highest honors that can be obtained in Osbourn High. This chapter, which is a part of a great National organization is one of which we can be justly proud.

The emblem of this society is the flaming torch and keystone which bears the letters C, S, L, and S at its base. These represent the four principles of the society which are Character, Scholarship, Leadership, and Service. Members of the National Honor Society have to maintain a scholastic average of "B" to remain a member.

The Dramatic Club, under the direction of Mrs. MacManaway, is in operation again for the first time in several years. It has become a very important club in our school. Membership in the club is limited to those who wish to develop their interest in the drama. They learn to act, direct plays, and the proper application of make-up, as well as many other interesting and valuable things.

Although nothing is final, prior to the printing of this annual, the Dramatic Club plans to give a play for the benefit of the school.

Our 1944 football season upheld the fine records set by teams of M. H. S. the past few years. The squad elected Earl Breeden as Captain and Billy Johnson as Co-Captain. The team had hard luck in its first game with Aldie when it lost Carroll Wright through a broken foot. Later, Eddie Batchelet was hurt in the Marshall game and was forced to stay out for the rest of the season. The team played good football all season and came through with 6 wins and 2 losses. Coach Peters and Asst. Coach Atkinson did a great job of building the team and their work was really appreciated by the boys.

The linemen were: Breeden (R. G.); Sinclair (R. G.); Davis (L. E.); Johnson (C.); Pearson (R. G.); Norman (L. T.); Williams (L. T.); Beal (L. T.); Graham (L. G.); Hurst (L. T.); Jacobs (R. E.); King (F. B.); Parler (R. G.); Peters (L. G.); Pickett (L. E.); Stickle (C.); Stipe (L. E.); Wiegand (L. G.); and Nalls (R. E.). In the backfield were: Alvey (H. B.); Batschelet (H. B.); Bryant (H. B.); Burke (F. B.); Muddiman (H. B.); Round (Q. B.); Vetter (Q. B.); and Wright (H. B.).

Although girls' basketball is not recognized as an official sport in the state of Virginia, Osbourn High has had one of the best seasons in girls' basketball for some time. Under the wonderful coaching of Miss Broaddus the girls have won seven out of eleven games this year. Many of the games were close and many were won (or lost) by wide margin but just the same they were played in true sportsmanship style and all were played with the idea of winning a good clean game. However without Miss Broaddus the girls would never have come anywhere near the top and she should be congratulated on her excellent work that she has done this year and the past years that she has been coach. If the teams in the years to come have only half as much fun and success that the 1945 team did they could be entirely satisfied for this has been a wonderful year, with a still more wonderful coach.

TRACK

Osbourn High has promises of having an excellent track team this year. We have three veterans from last year who were among the group that surprised Culpeper and Caroline High Schools by winning the District Meet, and went to Charlottesville where they gave a very good account of themselves by winning the Class C dash events, the shot put and the relay, they also came in second in the dashes and the 440 yard run. Manassas has always bred fast teams and we are sure that our nineteen-forty-five team will not be an exception.

BOY'S BASEBALL

Last year's baseball team, ably guided by Mr. Peters, made a fine showing and provided the students of Osbourn High with some very exciting ball games and completed its season by winning three out of six games. This year with most of the old players returning to school, we have high hopes of an excellent season.

GIRL'S SOFTBALL

1st. Row: M. Rust, M. Davis, B. Jones, V. R. Merchant, M. A. Graham K. Dogan. 2nd. Row: M. Caton, C. Ellison, K. Blakemore, (Capt.), Miss Broadus (Coach), L. Marshall, M. Smith, S. J. Lightner. 3rd Row: C. Harder (Mgr.), M. Hersch, M. Hicks, J. Johnson, M. Beane, C. Pattie, R. Dunn, A. Merchant, D. L. Hughes, Ann Dulany (Mgr.).

Our girls of Osbourn High are all ready and waiting for softball season when they will be out to build up as fine a record in girl's softball as they did in girl's basketball. With Miss Broadus as Coach, Kitty Blakemore as Captain, and nine of our old veterans returning, the girls have plans of surpassing the fine record set by last season's team and making their own name on the diamonds of our rival schools.

PRESENTING MISS AND MR. O.H.S.

Prior to the dance a vote had been taken in each home room and eighteen students were chosen to compete in the final round.
